

DEPARTMENT OF ANAESTHESIOLOGY

NAME	DESIGNATION	QUALIFICATION	MEDICAL COUNCIL REGISTRATION	EXPERIENCE	
Dr. Pankaj Chandra Pradhan	Associate Professor Cum H.O.D i/c	MBBS, MD ANAESTHESIA, FELLOWSHIP IN CRITICAL CARE MEDICINE	SMC/0110	14 YEARS as Asst Professor at SMIMS. 14 years as anaesthesiologist at STNM hospital	
Dr. Mohan Thapa	Associate Professor	MBBS, MD ANAESTHESIA,	SMC/0124	10 years as anaesthesiologist at STNM hospital	
Dr. Nilima Pradhan	Assistant Professor	MBBS, DA	SMC/0381	22 Yrs as anaesthesiologist at STNM hospital	
Dr. Gyamtso Bhutia	Assistant Professor	MBBS, DA	SMC/0381	17 yrs as anaesthesiologist at STNM hospital	
Dr. Sonam Diki Wangdi	Assistant Professor	MBBS, DA	SMC/0292	18 Yrs as anaesthesiologist at STNM hospital	

Dr. Anita Gurung	Assistant Professor	MBBS, MD ANAESTHESIA,	SMC/0123	3 yrs as anaesthesiologist at STNM hospital	
Dr. Tshering Phuti Bhutia	Senior Resident	MBBS, MD ANAESTHESIA, DRnb Cardiac Anaesthesia, FIPM	SMC/01406	Asst Professor at SMIMS – 5 yrs SR at SMIMS – 1 yr 9 yrs post – PG experience	
Dr. Tsewang Dolkar	Senior Resident	MBBS, MD ANAESTHESIA, DRnb Cardiac Anaesthesia,	SMC/0578	9 yrs post-PG experience SR at Goa – 2 yrs	

1. Department Overview

The Department of Anaesthesia provides an absolutely safe and evidence based pre-operative, intra-operative and post-operative care and service to all departments, surgical and others 24 x 7. This department is the backbone of all surgical departments carrying out various different surgeries in all specialized departments. We cater comprehensive care to patients and make possible that the proper surgical treatment takes place and patients receives a high grade care to make possible his/her journey to complete recovery. Serving patients in different ASA categories across all age groups from neonates to geriatric population the department seamlessly integrates high quality clinical care with medical education. The department also takes care of the critical care unit and provides a high quality service to all patients admitted in the CICU.

2. Clinical services and Expertise.
